Your tasks:

- Clarification of the technical requirements with our customers
- Conversion of the specifications into a draft design in 2D and 3D
- Clarification of the purchased parts with our suppliers
- Creation of the workshop drawings for our production

Your profile:

- Completed technical education (HTL, FH, university...)
- At least 2-5 years of professional experience as a CAD designer
- Experience in working with 3D CAD systems (ideally Creo Elements/Direct Modelling)
- Independent, structured and systematic way of working
- Very good written and spoken German

You can expect:

- An interesting working environment in a motivated team
- State-of-the-art work equipment
- Numerous special benefits (fruit, doctor, gym allowance, ...)
- Development opportunities in an industrial company with all the benefits of a family business
- Canteen with regional delicacies

For this position, a gross salary of 3.210,- Euro is planned. We are happy to overpay depending on your professional experience and qualifications.
