Your tasks:

- Proactive support and technical support of our ERP system as well as the implementation of ongoing IT projects
- Continuous improvement, detailed documentation and reliable maintenance of our IT system landscape
- Close cooperation with internal departments and external partners to integrate and optimise our systems
- Independent identification and solution of system problems
- Support and advice of our colleagues for the efficient use of the IT systems

Your profile:

- Completed training and relevant professional experience in the IT sector
- Good knowledge of ERP systems
- Experience with MS-SQL databases
- Experience in homogeneous MS environments (incl.a. Microsoft Windows Server from version 2019; MS Exchange; MS 365) an advantage
- Experience in dealing with Windows 10/11
- Good written and spoken German

You can expect:

- An interesting working environment in a motivated team
- State-of-the-art work equipment
- Numerous special benefits (fruit, doctor, gym allowance, ...)
- Development opportunities in an industrial company with all the benefits of a family business
- Canteen with regional delicacies

A gross salary of 3.300,- Euro is planned. We are happy to overpay depending on your professional experience and qualifications.
