Your tasks:

- Clarification of the technical requirements with our customers
- Conversion of the specifications into a draft design in 2D and 3D
- Clarification of the purchased parts with our suppliers
- Creation of the workshop drawings for our production
- Implementation of design processes at the headquarters in Austria for the site in the Czech Republic.

Your profile:

- Completed technical education (HTL, FH, university,...)
- Experience in working with 3D CAD systems (Creo Elements/Direct Modelling)
- Structured, systematic and independent way of working
- Written and spoken English, German and Czech an advantage

You can expect:

- An interesting working environment in a motivated team
- State-of-the-art work equipment
- Development opportunities in an industrial company with all the benefits of a family business
